The Role

We are seeking to appoint a dynamic, passionate and inspirational Maternity Cover as either Teacher or Subject Leader for Geography at Mount House School. The post is available from October 2024 but we can discuss September 2024 start if this suits the right candidate. The successful candidate would have excellent organisational skills and pedagogical knowledge. They would be able to develop and follow schemes of work as well as deliver motivating lessons to children with a range of abilities. The ability to teach Geography up to A Level is essential. Working collaboratively with colleagues, they would also be willing to be an active participant in co-curricular activities for Geography and the wider school. Whilst it is not likely to be needed, candidates with an ability to teach a second subject should make this clear in application. The school is expanding and opportunities for development exist, and in this sense it may be suitable for experienced teachers, as well as ECTs.

Geography sits within the Humanities Faculty which also includes Classics, History, and RS. At GCSE we follow the AQA syllabus. At Sixth Form we follow the AQA syllabus for Geography A Level.

“ A passionate, fun and dedicated team, we in the Humanities Faculty are committed to opening our students eyes to the world and to think critically about sources presented to them. We are looking for inspirational teachers who share our love of anything Geographical and to create a classroom environment (and opportunities outside the classroom) where students are eager to learn, develop key skills and are not afraid to ask questions.

Kathryn, Head of Humanities
